

Directions for Annual Retreat

East Troy is located between Milwaukee and Chicago but Milwaukee's airport is much more convenient. We are about 40 minutes from Milwaukee's airport and about two hours from O'Hare. (Chicago's Midway Airport can take up to 4 hours and we strongly recommend against it.)

We encourage you to rent a car and have posted on the website your colleagues' travel arrangements so you can arrange to share rides. Taxis are unavailable and limousines cost approximately \$90. If you prefer this option, we recommend that you contact: Hi Life Limousine (262) 728-9111 - Email: hilifelimo@genevaonline.com

From Chicago's O'Hare International Airport:

Ask for directions to get to I-94 North and then follow the directions below. (It can be tricky so be sure to get very clear directions.) Once on I-94 North, stay on it until you cross into Wisconsin, when you will eventually (after more than 40 minutes) take exit 33 for Route 20 heading West (left). Take Route 20 West for about 20 minutes when you will need to take a sharp left on Route D (not DD, which comes before that!). The Route D sign is a small square sign standing alone on the right side of the road and is very easy to miss—watch carefully! Stay on Route D for 20 min or so until you get to the four-way stop at Route 120. Turn North (right) on Route 120 and go under the over pass for I-43, after which you will immediately see Country Inn & Suites on the left. Just after the gas station on your right you will turn left on O'Leary Lane to Country Inn & Suites.

From Mitchell Intl. Airport, Milwaukee:

Exit General Mitchell Field Airport taking ramp (right) onto I-94 West toward Milwaukee. Immediately get into the left lane because you must follow signs to I-43 South toward Beloit. Watch carefully because there are a number of choice points wherein you must always choose I-43 South! Travel Southwest on I-43 for approximately 20 miles to East Troy. Do not take the first East Troy exit - for Highway 20. The next exit is Route 120. Take the exit for Route 120 going north (right) and you'll immediately see

Country Inn & Suites on the left. Just after the gas station on your right you will turn left on O'Leary Lane to Country Inn & Suites' entrance.
